LionOre Presentations to the Media and Investment Communities

September 7 - 28, 2006

Toronto, Ontario: September 5, 2006 – Senior executives of LionOre Mining International Ltd. (TSX/ASX: LIM, LSE: LOR, Botswana: LIONORE), (“LionOre”) will make the following presentations to members of the investment and media communities in South Africa and Australia between September 7 and 28, 2006.

Colin Steyn, President and CEO of LionOre, and Peter Breese, Managing Director of LionOre Africa, will host a site visit to the Nkomati and Tati operations on September 7 – 9, 2006.

Russell Bradford, General Manager of Metallurgy for LionOre Australia, will be presenting at the Africa Down Under conference in Perth on September 7, 2006.

Chris Fredericks, Business Development Executive, will present at a NEDCOR conference in Cape Town on September 28, 2006.

Copies of these presentations will be available on LionOre’s website at www.lionore.com.

About LionOre

LionOre is an international nickel producer with operations in Botswana, Western Australia and South Africa, and a gold mine in Western Australia. The Company also owns the Activox® process, an environmentally friendly hydrometallurgical process to extract and refine nickel from sulphide ore. Development of an Activox® refinery is currently underway at the Company’s Tati Nickel operations in Botswana.
